

# SURF Camp 2017

## Youth & Adult

### Application

### August 2-5

#### **Counselor Surf Camp Fee is \$75.00**

This year's SURF Camp theme, "LIVE OUT LOUD" is going to be awesome! The kids are going to love it and I believe you will too! It is always so cool to see how God brings just the right counselors and adults to camp each year. Because we have so many students and adults wanting to participate as Surf Camp Counselors, we have gone to an Application Process.

You will be receiving a SURF camp packet prepared as a tool to assist you in understanding your role as well as the requirements needed to be a Camp Counselor. Please read through it and spend some time in prayer. Really seek God's direction and wisdom; and think through what it will mean to be a counselor. You must complete the Ministry Safe training and have a background record check on file. Youth in lieu of background check must have student code of conduct signed by parent.

I will be praying for you as you prepare this application. For our youth volunteers I will also be speaking to your Youth Minister about your involvement in your Youth Ministry and/or other adults you serve with here at DBC.

My desire is for you to grow during the week of Surf, and I know that you will because being in service somehow teaches us more than we ever dreamed possible. I also want you to understand that you are there to "serve" your little brothers and sisters! This week is about them and I want you to be sure to understand that up front. You will be a servant this week and God will bless you for it!

I am thrilled you are seeking this opportunity and know that God will bring the right team together for Surf 2017!

Blessings, Ms. Brenda
